

Biocomplexity Project Retreat
February 25-29, 2004
Trout Lake Station
Boulder Junction, WI
Contact Liz Levitt: ealevitt@wisc.edu

Wednesday, February 25 – Departure From Madison (Center for Limnology parking lot)

Ride sign-up at <http://biocomplexity.limnology.wisc.edu/public.htm>

3:00 pm -- First vehicle leaves from CFL (Vehicle 1, CFL #516)

5:00 pm – Third vehicle leaves from CFL (Vehicle 2, UW Fleet)

5:30 pm – Last vehicle leaves from CFL (Vehicle 3, CFL #667)

Please notify Liz if you will be using your own vehicle, and the approximate departure time, in case others need a ride.

Please contact Liz to find out alternative driving arrangements—other vehicles are departing and returning to Madison at various times on Tuesday – Sunday.

**Each vehicle is responsible for own dinner or food (Dinner will not be served at Trout)

Thursday, February 26 – Biocomplexity Retreat in Main Lab of Trout Lake Station

7:00 am Breakfast (bagels, donuts, coffee, juice)

8:00 am Opening address, Introductions (Carpenter, Kratz)

8:20 am **Cross Lakes Comparison**

Anna Sugden-Newbery
Mara Finkelstein**
Pieter Johnson

**group leader

9:40 am BREAK

10:00 am Group discussion
--focus questions—see attached handout
--*Optional*: people are encouraged to breakout into small groups to work on their topics of interest

12-12:30 Wrap up (*optional*)

12:00 pm Lunch (sandwiches catered to Trout Lake Station)

- Coarse Woody Habitat**
- 1:00 pm** Greg Sass
J.J. Weis
Matt Helmus**
Adrienne Tandberg
- **group leader*
- 2:00 pm** BREAK
- 2:15 pm** Group discussion
--focus questions—see attached handout
--*Optional*: people are encouraged to breakout into small groups to work on their topics of interest
- 4:15-4:45** Wrap up (optional)
- 6:30 pm** Meet in Juday for Pasta Dinner (Hein)
-

Friday, February 27 – Biocomplexity Retreat in Main Lab of Trout Lake Station

- 7:00 am** Breakfast (bagels, donuts, coffee, juice)
- Sparkling Lake Manipulations**
- 8:15 a.m.** Brian Roth**, “Updates on Sparkling Lake predators, smelt, and crayfish densities”
Steve Gilbert, “Stocking and over-winter survival of Sparkling Lake walleye”
Katie Hein, “The Sparkling Lake rusty crayfish removal, part 2^{1/2}”
- **group leader*
- 9:40 am** BREAK
- 10:00 am** Group discussion
--focus questions—see attached handout
--*Optional*: people are encouraged to breakout into small groups to work on their topics of interest
- 12-12:30** Wrap up (*optional*)
- 12:00 pm** Lunch (sandwiches catered to Trout Lake Station)
-
-
-

Environmental Economics

- 1:00 pm** Alex MacPherson**
Bill Provencher, Buz Brock, Steve Carpenter??
- **group leader*
- 2:00 pm** BREAK
- 2:15 pm** Group discussion
--focus questions—see attached handout
--*Optional*: people are encouraged to breakout into small groups to work on their topics of interest
- 4:15-4:45** Wrap up (optional)
- 6:30 ?? Fish Fry
-

Saturday, February 28 – Biocomplexity Retreat in Main Lab of Trout Lake Station

- 7:00 am** Breakfast (bagels, donuts, coffee, juice)
- 8:30-9:30** Brainstorm papers and self-organize into small working groups (Anna)
- • *What has been printed/ submitted already?*
 - • *What scientific papers are planned for next year?*
- 9:30-12:30** Working groups
This is an opportunity to continue with papers or ideas that were previously discussed or to get started on new ideas from the prior 2 days.
- 12:30-1:30** Lunch
- 1:30-2:30** Logistics [Michele?]
- • *What permits are needed to accomplish these field plans?*
 - • *What are the staffing needs for the summer field season?*
- 2:30-3** Website update and annual report (Liz)
- 3-3:15** BREAK
- 3:15-4** Ending plenary
- 6:30** Pizza (Sayner Pub) Party in Juday House

Vehicle departing TL at 4:30 p.m.

Biocomplexity Retreat Attendees

February 25-29, 2004

Adrienne Tandberg	atandberg@wisc.edu	undergrad
Alex Macpherson	ajmacpherson@wisc.edu	UW Applied Ag Economics
Alysa Darcy	ajdarcy@wisc.edu	UW Zoology
Amy Kamarainen**	kamarain@msu.edu	prospective graduate student
Amy Newman	amynewman@students.wisc.edu	undergrad
Anna Sugden-Newbery	aesugden@wisc.edu	UW Zoology
Barbara Benson	bjbenson@wisc.edu	UW CFL
Bill Provencher	provencher@aae.wisc.edu	UW Applied Ag Economics
Brian Roth	bmroth@students.wisc.edu	UW CFL
Buz Brock	wbrock@ssc.wisc.edu	UW Economics
Chris Solomon	cjsolomon@wisc.edu	UW CFL
Greg Sass	ggsass@wisc.edu	UW CFL
J.J. Weis	jjweis@wisc.edu	undergrad
Jake Vander Zanden	mjvanderzand@wisc.edu	UW CFL
Jeff Bode	Jeff.Bode@dnr.state.wi.us	WDNR
Jim Kitchell	kitchell@mhub.limnology.wisc.edu	UW CFL
Jim Rusak	jarusak@wisc.edu	UW CFL TLS
Joan Brock	wbrock@ssc.wisc.edu	Wife of Buz Brock
John Magnuson	jmagnus@wisc.edu	UW CFL
Julia McCarthy	julestylz@hotmail.com	undergrad
Katie Hein	clhein@wisc.edu	UW CFL
Laura Kessler	lkessler@wisc.edu	undergrad
Liz Levitt	ealevitt@wisc.edu	UW CFL
Mara Finkelstein	mfinkelstein@wisc.edu	UW CFL
Matt Helmus	matthelmus@hotmail.com	UW Zoology
Michele Parara	mparara@wisc.edu	UW CFL TLS
Mike Papenfus	papenfus@wisc.edu	UW Applied Ag Economics
Monica Turner	mgt@mhub.zoology.wisc.edu	UW Zoology
Pieter Johnson	ptjohnson2@wisc.edu	UW CFL
Sara Hotchkiss	shotchkiss@wisc.edu	UW Zoology
Scott Van Egeren	sjvanege@wisc.edu	UW CFL TLS
Sheela Doshi**	doshishe@yahoo.com	prospective graduate student
Steve Carpenter	srcarpen@wisc.edu	UW CFL
Steve Gilbert	gilbes@dnr.state.wi.us	WDNR
Susan Knight	seknight@facstaff.wisc.edu	UW CFL TLS
Therese Aschkenase	taaschkenase@students.wisc.edu	undergrad
Tim Kratz	tkkratz@wisc.edu	UW CFL TLS
Tony Ives	arives@facstaff.wisc.edu	UW Zoology
